ENPRESS LLC – 14x65 Light Commercial Vessel

EASTLAKE, Ohio – ENPRESS LLC, is pleased to announce the addition of three standard size composite pressure vessels to its offering, all available with standard inlet options of 2.5” NPSM or 4” UN threads...14x30, 14x54, and 14x65. All sizes are now available with ENPRESS’ Vortech™ Bottom Distributor Plate, which eliminates gravel under-bedding, allows for reduction of backwash rates up to 30%, and offers consumers savings on salt and water usage...and most importantly, the riser does not come out when the valve is removed and serviced!

All residential tanks are backed by an exclusive manufacturer’s 10-year limited warranty, and are 100% Made in the USA.

ENPRESS LLC is a worldwide leading manufacturer of composite pressure vessels for use in water treatment. ENPRESS tanks are manufactured with an industry exclusive liner design and formulation that offer superior benefits and features...100% Made in the USA. More information is available on the company’s website at www.enpress.com or by calling 1-866-859-9274.
