ENPRESS LLC - Dome Hole Tanks

EASTLAKE, Ohio – ENPRESS LLC, is pleased to announce the introduction and availability of its NSF Approved Dome Hole tank, available in 10”, 12” and 13” diameters.

The schedule for product release is as follows:

- Available for shipment in December – 10” Diameter Dome Hole Tanks
- Available for shipment in January – 12” and 13” Diameter Dome Hole Tanks

Utilizing ENPRESS’ patent pending and industry exclusive liner design, the 1¼” Dome Hole offers an “appliance-like feature,” and consistent location indexing for use with multiple valves and systems. Coupled with ENPRESS’ access to the internals of the tank prior to assembly, the reinforced parts are consistently sealed using proprietary plastic welding technologies, eliminating leak paths and reducing vulnerability to environmental exposure. All residential tanks are backed by an exclusive manufacturer’s 10-year limited warranty, and are 100% Made in the USA.

ENPRESS LLC is a worldwide leading manufacturer of composite pressure vessels for use in water treatment. ENPRESS tanks are manufactured with an industry exclusive liner design and formulation that offer superior benefits and features...100% Made in the USA. More information is available on the company’s website at www.enpress.com or by calling 1-866-859-9274.
