ENPRESS LLC – 16x65, 21x62 & 24x72 Light Commercial Vessels

EASTLAKE, Ohio – ENPRESS LLC, is pleased to announce the introduction and availability of its Light Commercial 16x65, 21x62 and 24x72 vessels with a 4” stainless steel top opening, available for shipment in April.

Utilizing ENPRESS’ patent pending design, these light commercial vessels utilize an exclusive stainless steel 4” threaded top opening, eliminating out-of-specification inlet threads, cross threading of valves, and providing improved resistance to environmental exposure in extreme temperature applications. All Light Commercial 16”, 21” and 24” diameter vessels are backed by an exclusive manufacturer’s 5-year limited warranty, and are 100% Made in the USA.

ENPRESS LLC is a worldwide leading manufacturer of composite pressure vessels for use in water treatment. ENPRESS tanks are manufactured with an industry exclusive liner design and formulation that offer superior benefits and features... 100% Made in the USA. More information is available on the company’s website at www.enpress.com or by calling 1-866-859-9274.
